

Spring Planting in the Cotter

Let's make the best of this great rain

**Sunday 12 September 2010
9.30am—12.30pm**

***Followed by a talk by Greening Australia Chief Scientist
Dr David Freudenberger
on "Progress of restoration in the Cotter"***

Where

Pierces Creek Forrest - head west on Cotter Road, cross the Murrumbidgee and Cotter Rivers, continue past the Cotter Reserve picnic area on Paddys River Road. Turn right at Laurel Camp Road (2.7 km past Cotter Reserve). Follow Greening Australia signs to planting site.

Transport

Car pool or catch the bus! A bus will be leaving from the City West bus terminal on Marcus Clarke Street at 8.30am and from Deeks Forest Park carpark (Uriarra Road) at 9am. The bus will leave the planting site at approximately 1pm and return to Deeks Forest car park then Civic. ***Seats are limited.***

What to Expect

Undulating terrain, some blackberries and fallen timber. Tools and instructions will be provided onsite. BBQ lunch will be provided.

What to Bring

Hat, gardening gloves, long pants, sturdy shoes, sunscreen, water bottle (if bringing your own mattock please label it).

RSVP essential

(please specify if you require a seat on the bus)
