

SPECIES AVAILABILITY FEBRUARY 2010

Greening Australia (NT) Ltd - Darwin Nursery
 125 Thorak Road, Knuckey Lagoon last driveway on the left
 Fax: 8947 2176
 Tel: 8947 3793
 Email: darwinnursery@nt.greeningaustralia.org.au

Bold indicates the species is in *Native Plants for Top End Gardens* by Nicholas Smith (available from Greening Australia)

Pot colour

Pu = Purple = Riverine

Y = Yellow = Coastal

B= Beige = Wetland

Pi = Pink = Monsoon

R = Red = Woodland

O = Orange = Sandstone escarpment

Area

G = Groundcover/grasses

S = Shrubs

M = Medium trees

T = Large trees

L = Large pots section

R = Rainforest/ shade house

W = Water plant

| Pot colour | Area | Species Name | Common Name | 75mm pot | 140mmpot | 200mm pot | 25L bag |
