

SPECIES AVAILABILITY SEPTEMBER 2009

Greening Australia (NT) Ltd - Darwin Nursery
 125 Thorak Road, Knuckey Lagoon last driveway on the left)
 Fax: 8947 2176
 Tel: 8947 3793
 Email: darwinnursery@nt.greeningaustralia.org.au

Bold indicates the species is in *Native Plants for Top End Gardens* by Nicholas Smith (available from Greening Australia)

Pot colour

Pu = Purple = Riverine
 Y = Yellow = Coastal
 B = Beige = Wetland
 Pi = Pink = Monsoon
 R = Red = Woodland
 O = Orange = Sandstone escarpment

Area

G = Groundcover/grasses
 S = Shrubs
 M = Medium trees
 T = Large trees
 L = Large pots section
 R = Rainforest/ shade house
 W = Water plant

| Pot colour | Area | Species Name | Common Name | 75mm pot | Tubes 104 trays | 140 – 200mm pot |
